FER-PAL Infrastructure Appoints Dawn Dalisay as VP Finance

September 9, 2021, Toronto, ON – FER-PAL Infrastructure, the clean water specialist, is pleased to announce the appointment of **Dawn Dalisay** to Vice President of Finance. Dawn will be leading FER-PAL's finance department with responsibility for all corporate budgeting, financial reporting and cash management, among other finance and accounting duties.

Dawn Dalisay

Dawn brings 19-years of industry experience to the role, previously serving FER-PAL as the Director of Finance. Before joining FER-PAL, Dawn spent over four years at WSP Canada and the MMM Group in several positions including the Director of Finance for their Transportation Division. Prior to WSP, Dawn worked at AECOM as their District Finance Manager for Ontario.

"I look forward to taking this next step with FER-PAL to further the development of FER-PAL's practices to ensure it's growth while maintaining it's position as a North American leader in sustainable water solutions." commented Dawn. Dawn is a Certified Public Accountant (CPA) and a Certified Management Accountant (CMA). She graduated from De La Salle University in Manila, Philippines and is married with a son.

Dawn will be part of FER-PAL's executive team and report directly to the company's President, Shaun McKaigue. "We are extremely excited to have Dawn as our VP of Finance," said Shaun. "She has been a key team member as a Director and are pleased to be elevating her into this important role on our executive at a time of rapid growth."
